

THE CONSTRUCTION PROJECT OF THE 108-METER-TALL BUDDHA STATUE
ON BOKOR MOUNTAIN IN PREAH MONIVONG NATIONAL PARK "BOKOR"
KAMPOT PROVINCE

Sokha Hotel Co., Ltd obtained a permission from the Royal Government of Cambodia for construction of a 108-meters-tall Buddha statue on the ridge of Bokor Mountain. This construction project consists of a main 108-meters-tall Buddha statue sitting on the podium, surrounded by 12 Buddha statues sitting in temples, as well as other miniature Buddha statues with 0.31 meter tall to be placed on the inner wall of the podium underneath the main Buddha statue.

Generous persons, who are willing to be part of the construction of the above-Buddha statue, can make bountiful financial donation at their respective kindness, or acquire miniature Buddha statues to place on the inner wall of the podium, with their own name or names of their beloved ones can be inscribed on the front sides of the thrones.
